All parents and carers,
Garratt Park School

18th October 2021

Dear Parents/carers,

Each October the anti-racism educational charity 'Show Racism the **Red** Card' holds its annual Wear Red Day. Wear Red Day is a national day of action which encourages schools, businesses and individuals to wear red and donate £1 to help fund anti-racism education for young people and adults across the UK.

As part of our ongoing efforts to raise racial awareness at Garratt Park School we will be participating in this year's event taking place this **Friday 22nd October**. Our day will begin with a virtual whole school assembly featuring items from students and staff promoting the message of anti-racism.

This Friday will be a non-uniform day and we encourage all members of the school community to wear something red. Normal school rules apply; no football shirts or hoodies. If students do not want to wear something red they will need to wear their school uniform.

We are asking each student to make a voluntary contribution of up to £1 towards Show Racism the **Red** Card. If you would like to find out more about the charity and its work, follow this link:
